HACKETT CATHOLIC CENTRAL

2010 SUMMER SPORTS CAMPS

**MORE THAN GOOD SPORTS,
 GOOD PEOPLE!**

**2010 HACKETT SUMMER SPORTS CAMPS
COUNSELORS**

The staffing of the Hackett Catholic Central summer camps is done with an eye towards people who are fundamentally strong and have a desire to instruct in a positive manner. Whenever possible the camps will be under the direction of the current HCC coaching staff in a particular sport.

The camp coaching staff brings years of teaching experience. Our staff comes with a variety of backgrounds including coaching at the college level. The emphasis will be on fundamentals, fellowship and competition.

The coaches we have involved in the camps at Hackett Catholic Central often make use of current Irish athletes in the instructional phase of the camp. This provides a wonderful way for our current student-athletes to serve as role models for the players coming up in the lower grades. We consider this a giant plus for our total program.

Please consider the Hackett Catholic Central summer camp experience for 2010. We are confident our staff will offer quality instruction in a safe, caring and Christian atmosphere.

Please pass this information along to Non-CSGK students who might enjoy this experience.
